HSA has endorsed and is announcing a new offering for the **Hyannis Area Chamber of Commerce** with special discounting and simplified enrollment criteria not available to the general public. This plan provides a **10% discount to all Chamber members**, their employees, and their families including spouses, parents and grandparents.

HSA is offering to Chamber members a free **Personalized Retirement Preservation Report** which quantifies the true cost of creating a plan, a demonstration of the tax-subsidies available to your business, and also a way to guarantee a return of premium if your benefits are never used.
